a Finlandia Foundation Chapter  
Proudly Presents

Anu Partanen  
and  
“The Nordic Theory of Everything”

In *The Nordic Theory of Everything*, Partanen compares life in the United States with life in the Nordic region, focusing on four key relationships—parents and children, men and women, employees and employers, and government and citizens. She debunks criticism that Nordic countries are socialist “nanny states,” revealing instead that it is we Americans who are far more enmeshed in unhealthy dependencies than we realize. As Partanen explains step by step, the Nordic approach allows citizens to enjoy more individual freedom and independence than we do.

“Partanen is a careful, judicious writer and she makes a careful, judicious case. ... It’s useful to know what the outsider knows: There are other ways of organizing humanity.” —New York Times Book Review

“This is a wonderful, hopeful book about what American society could be—not by adopting Nordic ‘socialism,’ but by embracing the values that have allowed Nordic citizens to enjoy more freedom and equality than in present-day America. The American Dream was once an inspiration to the world. Anu Partanen shows us how to rediscover it.”--Robert B. Reich
